

MILESTONES

Syner Chem Corporation was established in 2006 as a trading firm that provides cooling tower, boiler and waste water treatment chemicals, as well as ion-exchange resins.

The increasing demand for Cleaning and Descaling Services has driven the company to expand its business by investing in state-of-the-art equipment, technological processes and logistical capability. The company serves Shopping Malls, Hotels and Restaurants, Buildings, and Industrial Plants.

SYNER CHEM
CORPORATION

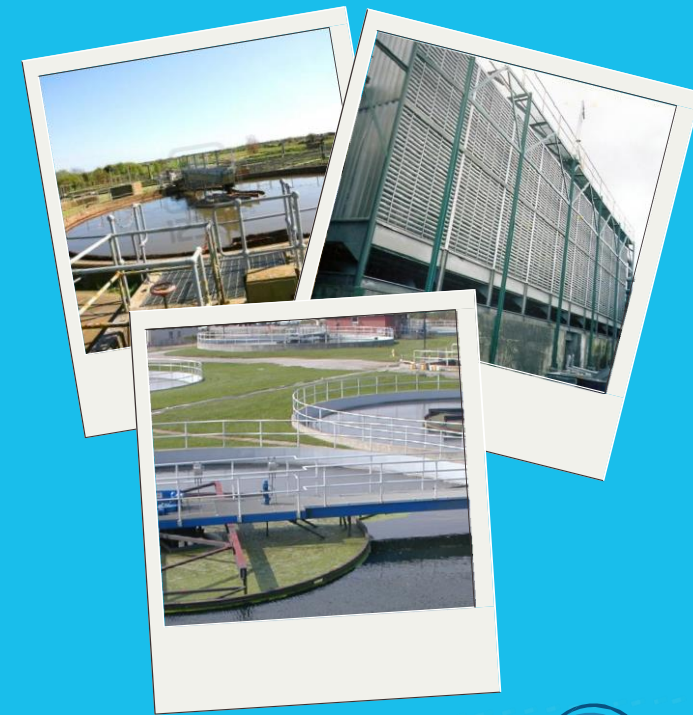

VISION

We are the Choice Provider of Water Treatment Chemicals committed to deliver high quality products and agile performance in services.

MISSION

Consistently provide innovative products and value-adding services to:

- drive the growth needs of our Clients;
- gain the respect of our Suppliers; and
- sustain the trust of our Stakeholders.

PRODUCTS

SERVICES

ION EXCHANGE RESINS

- Strongly Acidic Cation Resin
- Weakly Acidic Cation Resin
- Strongly Basic Anion Resin
- Weakly Basic Anion Resin

REVERSE OSMOSIS TREATMENT CHEMICALS

- Anti-Scalant
- Microbiocide

BOILER WATER TREATMENT CHEMICALS

- Scale Inhibitor
- Oxygen Scavenger
- Sludge Dispersant
- Condensate Corrosion Inhibitor
- Morpholine
- Hydrazine Hydrate

COOLING WATER TREATMENT CHEMICALS

- Scale and Corrosion Inhibitor
- Microbiocide and Slimicide
- Algaecide

WASTE WATER TREATMENT CHEMICALS

- Coagulants
 - PAC Powder: white and yellow
 - PAC Liquid: 10% and 30%
 - Aluminum Sulfate
 - Aluminum Chlorohydrate
 - Ferric Chloride
- Flocculants
 - Cationic Polymer
 - Anionic Polymer

DISINFECTANTS

- Ethyl Alcohol
- Isopropyl Alcohol
- Benzalkonium Chloride
- Chlorine Powder
- Chlorine Liquid

INDUSTRIAL CHEMICALS

- Caustic Soda Flakes
- Caustic Soda Liquid
- Calcium Hypochlorite
- Sodium Hypochlorite
- Methanol

CHEMICAL AND MECHANICAL CLEANING

- Boilers
- Condensers
- Air Compressors
 - Inter and After-Coolers
 - Lube Oil Coolers
 - Air Dryers
- Plate Heat Exchangers
- Reactors
- Cooling Towers

CHEMICAL DOSING

- Feed Pump
- Conductivity and pH controllers

EQUIPMENT MONITORING

ON-SITE AND OFF-SITE WATER ANALYSIS

TECHNICAL CONSULTATION
